

# *Reading Ninja Challenge!*

## *Be a Ryerson Reading Ninja!*

### **Students:**

- Each month from October through May read (outside of school) at least 15 minutes per day, 5 days per week.
- Submit your monthly reading log to your teacher at the beginning of the next month and you will earn a Reading Ninja belt.
- Every month a completed reading log is turned in, the student will earn a belt moving up the ranks from white belt to the ultimate Reading Ninja goal, black belt.

### **Parents:**

- Sign your initials each day your child reads for at least 15 minutes

### **Ahhh, sweet success!:**

- Every student who earns Reading Ninja Black Belt by May 30, 2017 will be invited to an ice cream party to celebrate.

### **FYJ:**

- Students should read materials at their independent reading level to help develop their reading skills.
- If there is a month a student does not complete his/her reading log, do not fear. All is not lost! You can pick up the next month and continue to earn belts.
- Kindergarten and 1<sup>st</sup> grade pre-readers can have someone reading to him/her count for reading log.
