# Recycled Sculpture Contest

## Details & Description:

- All Ryerson students in grades K-5 may participate.
- You must work on your own (please, NO group projects).
- You are to create your own sculpture out of RECYCLED MATERIALS, such as aluminum cans, plastic water bottles, cardboard boxes, egg cartons, etc.
- All sculptures **MUST include a brief written explanation**. Please include a title, description of what the sculpture is, and what products you made it out of. Don't forget YOUR name and class section.
- All sculptures MUST be brought to school on or before **Tuesday, April 25, 2017**. Unfortunately, no late entries can be accepted for judging.
- Sculptures will be judged based on creativity, use of recycled materials, written explanation of project, and uniqueness. *Prizes will be awarded for the top Sculptures in the K-1 Division, 2-3 Division and Grade 4-5 Division.*
- Be creative and have fun!
